Whaly 435R Professional

The Whaly 435R Professional is an incredibly robust, double-walled boat manufactured from high-grade Polyethylene. This version is even stronger and has a foam layer on the interior, making it the preferred choice for professional use as a work boat, though it is very suitable for rescue operations too. Furthermore, the Whaly 435R has an additional option: an engine with 40hp – very handy when speed is of the essence. This boat is low-maintenance and is produced in 100% colour-fast Polyethylene.

The specifications will certainly convince you of its quality.

EC type Certificate; Assessed according to Directive 2013/53/EU and meets all applicable essential safety requirements.
